WORK EXPERIENCE

University of the Incarnate Word - San Antonio, TX
YOSA Assistant, January 2019 - March 2020

- Helped set up and rearrange chairs and stands for the Youth Orchestra of San Antonio as well as supervise hundreds of students while on the property.

- Managed two to three other volunteers when they were needed to help set up for sectionals.

University of the Incarnate Word - San Antonio, TX
Usher, October 2017 - March 2020
- Arranged the stage for performances in the music building. Duties included handing out programs, adjusting the lighting/audio and cleaning up after performances.

Dogtopia - Alexandria, VA
Dog Supervisor June 2019 - August 2019
- Supervised and cleaned up after the dogs in their playrooms to ensure they had a clean space to play in. Also gave multiple dogs baths and trimmed their nails when requested by the owners.
- Improved relationships between the dogs by reinforcing positive interactions.

Virtual Reality Ride - Alexandria, VA
Cashier June 2018 - August 2018
- Assisted customers into rides as well as operated the machine. Briefed and inspected all safety procedures implemented and adhered.
- Improved sales 5% by actively engaging with customers and upselling the experience to them.

EDUCATION
Rice University, Houston TX – Full Stack Developer Certificate
May 2022 - November 2022
- Completed many different projects using JavaScript as well as collaborative projects with classmates. Those projects can be checked out [here](#).
American Graduate University, Covina, CA - Masters of Business Administration in Acquisition and Contracting
May 2020 - November 2022
- Completed classes that specialized in creating and reviewing contracts for purchases made by the government.
University of the Incarnate Word, San Antonio, TX - Bachelor's in Music
August 2015 - May 2020
- Received education in music, music theory, and music history as well as aural skills and some composition.
